French Trident Strategy

How to…

Fix just about anything

Your projects, your stuff, your life…

Graham French 247

The French Trident Strategy

Unique three prong approach

Troubleshoot large corporate IT

Can be utilised for just about anything

Three Prong Strategy

Big Stuff

Quick Wins

Accumulation of Small Changes

Big Stuff

Time consuming

Expensive

Focus, attention, resource intensive

Quick Wins

Short term, weeks not months

Good return on time invested

Disproportionate positive effect

Accumulation of Small Changes

Little but often and consistent

Slow to show overall initial effect

The biggest overall effect by far
